CHAMPAGNE APOCALYPSE

music & lyrics by M. Savelkoul & H. Vissers

Intro: A | G | Bm

A
We sit in my room

G **Bm**
While outside the world's on fire

A
Roaring with doom

G **Bm**
So this is the flood rising

A
Candles and champagne

G **Bm**
We've gathered enough, we've got plenty

A
My window's the frame

G **Bm** **Bb**
To watch the grand finale through

D
When it all comes down

Bm
Down to each other

F#m
When we all become brothers

G
The last kiss from your lover

D **Bm** **F#m**
When the champagne apocalypse arrives

D **Bm** **F#m**
Let's watch the champagne apocalypse tonight

A
So now you're surprised

G **Bm**
Now everything you love is burning

A
Too late to be wise

G **Bm**
Hope you enjoyed the human experience

A
Slowly losing sight
G **Bm**
The last song, the last drink

A
As for tonight
G **Bm** **Bb**
Sleep tight while we sink

D
When it all comes down
Bm
Down to each other
F#m
When we all become brothers
G
The last kiss from your lover

D **Bm** **F#m**
When the champagne apocalypse arrives
D **Bb**
Let's watch the champagne apocalypse

G | **F#m**

Down to each other

When the champagne apocalypse arrives
D **Bm** **F#m**

That's when we finally realise

How goddamn good it felt to be alive
